Subject Index—Volume 62

Alaska
Kenai Peninsula Borough: A spruce bark beetle mitigation program. Michael Fastabend. 62(1): 22.

Arizona
Flagstaff interface treatment prescription: Results in the wildland–urban interface. Alan Farnsworth; Paul Summerfelt. 62(2): 13–18.
Human factors in fire behavior analyses: Reconstructing the Dude Fire. Karl E. Weick. 62(4): 8–15.
Walk back into tragedy: A quantum leap forward. Paul Keller. 62(4): 16–21.

Art
Three small smokes. Stephen W. Barrett. 62(4): 57.
Wild fire. Allison Walker. 62(2): 49.

Aviation
Accelerated aviation training. Erich J. Schwab. 62(2): 38.
Bullets to buckets: Florida's new helicopter. Sylvia Melvin. 62(4): 53–54.
Coming soon: Gum-thickened fire retardants. Charles W. George. 62(2): 34–35.
A unique aviation tool for firefighting. Jill Evans. 62(4): 55–56.

Awards
Smokey Awards presented for 2000 and 2001. Dianne Daley Laursen. 62(2): 44–48.

Burned-Area Rehabilitation
No demobing before rehab! Mary Zabinski. 62(1): 33–35.

California
Accelerated aviation training. Erich J. Schwab. 62(2): 38.
A unique aviation tool for firefighting. Jill Evans. 62(4): 55–56.

Colorado
Cooperative fire protection in Colorado. Jim Hubbard. 62(1): 13–14.

Communication
Book review: How the way we talk can change the way we work. Jim Saveland. 62(4): 38–41.
Book review: Managing the unexpected. Dave Iverson. 62(4): 36–37.
Rush to judgment on the Thirtymile Fire. Hutch Brown. 62(3): 31–35.
Websites on fire. Editor. 62(1): 12.
Websites on fire. Editor. 62(2): 33.
Websites on fire. Editor. 62(3): 8.
Websites on fire. Editor. 62(4): 37.

Cooperation
Cooperative fire protection in Colorado. Jim Hubbard. 62(1): 13–14.
Cost-effective engine plays vital role. Louie Casaus. 62(1): 40.
Fire Education Corps assists homeowners. Danny Ebert; Jody Handly. 62(1): 7.
A fire hazard mitigation plan for Guam. David Limtiaco. 62(1): 25–28.
Firesafe Spokane: Working with the community. Ross Hesseltine. 62(1): 23–24.
Firewise workshops ignite community action. Cynthia Baily. 62(1): 4–6.
Flagstaff interface treatment prescription: Results in the wildland–urban interface. Alan Farnsworth; Paul Summerfelt. 62(2): 13–18.
Kenai Peninsula Borough: A spruce bark beetle mitigation program. Michael Fastabend. 62(1): 22.
Mobile fire-mapping units support wildland fire suppression. Rick Connell. 62(2): 19–20.
Pennsylvania's Firewise Medal Communities Program. H. Alan Zentz; John Berst; Paul Sebasovich. 62(1): 30–32.
Protecting communities through the National Fire Plan. Michael T. Rains; Jim Hubbard. 62(2): 4–12.
Recycling Forest Service fire engines. Dennis Orbus. 62(1): 29.
Study supports cooperative fire protection in the West. Brian F. Weatherford. 62(1): 8–12.
Texas volunteer firefighters benefit from new legislation. Traci Bowen. 62(4): 51–52.

Crews
1937 Blackwater Fire investigation: Boost for smokejumpers? Karl Brauneis. 62(2): 24–26.
About the way we fight fires. Mike Benefield. 62(2): 30–33.
Texas volunteer firefighters benefit from new legislation. Traci Bowen. 62(4): 51–52.

Education
Fire Education Corps assists homeowners. Danny Ebert; Jody Handly. 62(1): 7.
Firewise workshops ignite community action. Cynthia Baily. 62(1): 4–6.
Firesafe Spokane: Working with the community. Ross Hesseltine. 62(1): 23–24.
Pennsylvania's Firewise Medal Communities Program. H. Alan Zentz; John Berst; Paul Sebasovich. 62(1): 30–32.
Smokey Awards presented for 2000 and 2001. Dianne Daley Laursen. 62(2): 44–48.
Smokey's new wildland fire prevention message. Madelyn Dillon. 62(1): 41.

Equipment and Engineering
Bullets to buckets: Florida's new helicopter. Sylvia Melvin. 62(4): 53–54.
Coming soon: Gum-thickened fire retardants. Charles W. George. 62(2): 34–35.
Correction: Roscommon Equipment Center's origins. Editor. 62(1): 6.
Cost-effective engine plays vital role. Louie Casaus. 62(1): 40.
Hub helps prepare for fire season. Moira Finn. 62(2): 36–37.
Mobile fire-mapping units support wildland fire suppression. Rick Connell. 62(2): 19–20.
Recycling Forest Service fire engines. Dennis Orbus. 62(1): 29.

Fire Behavior
Changes in fire hazard as a result of the Cerro Grande Fire. Dawn Greenlee; Jason Greenlee. 62(1): 15–21.
Estimating canopy fuels in conifer forests. Joe H. Scott; Elizabeth D. Reinhardt. 62(4): 45–50.
How accurate are Haines Index forecasts on the University of Wisconsin Website? Brian E. Potter; Thor Sawin; Jonathan Martin. 62(2): 21–23.
Human factors in fire behavior analyses: Reconstructing the Dude Fire. Karl E. Weick. 62(4): 8–15.
Keeping Haines real—or really changing Haines? Brian E. Potter; Dan Borsum; Don Haines. 62(3): 41–46.
Lessons from Thirtymile: Transition fires and Fire Orders. Jerry Williams. 62(3): 6–8.
The staff ride approach to wildland fire behavior and firefighter safety awareness training: A commentary. Martin E. Alexander. 62(4): 25–30.
Thirtymile Fire: Fire behavior and management response. Hutch Brown. 62(3): 23–30.

Fire Ecology
Burning under old-growth ponderosa pines on lava soils. Peter Z. Fulé; Greg Verkamp; Amy E.M. Waltz; W. Wallace Covington. 62(3): 47–50.
Moose Fire: The historical perspective. Stephen W. Barrett. 62(4): 42–44.

Fire Organization
No demobing before rehab! Mary Zabinski. 62(1): 33–35.
Revisiting the loss of our own. Dale Bosworth. 62(3): 4–5.

Fire Research

Burning under old-growth ponderosa pines on lava soils. Peter Z. Fulé; Greg Verkamp; Amy E.M. Waltz; W. Wallace Covington. 62(3): 47–50.

Estimating canopy fuels in conifer forests. Joe H. Scott; Elizabeth D. Reinhardt. 62(4): 45–50.

How accurate are Haines Index forecasts on the University of Wisconsin Website? Brian E. Potter; Thor Sawin; Jonathan Martin. 62(2): 21–23.

Injuries, illnesses, and fatalities among wildland firefighters. Richard J. Mangan. 62(3): 36–40.

Keeping Haines real—or really changing Haines? Brian E. Potter; Dan Borsum; Don Haines. 62(3): 41–46.

Fire Weather

How accurate are Haines Index forecasts on the University of Wisconsin Website? Brian E. Potter; Thor Sawin; Jonathan Martin. 62(2): 21–23.

Keeping Haines real—or really changing Haines? Brian E. Potter; Dan Borsum; Don Haines. 62(3): 41–46.

Florida

Bullets to buckets: Florida's new helicopter. Sylvia Melvin. 62(4): 53–54.

Fuels Management

Burning under old-growth ponderosa pines on lava soils. Peter Z. Fulé; Greg Verkamp; Amy E.M. Waltz; W. Wallace Covington. 62(3): 47–50.

Changes in fire hazard as a result of the Cerro Grande Fire. Dawn Greenlee; Jason Greenlee. 62(1): 15–21.

Estimating canopy fuels in conifer forests. Joe H. Scott; Elizabeth D. Reinhardt. 62(4): 45–50.

Flagstaff interface treatment prescription: Results in the wildland–urban interface. Alan Farnsworth; Paul Summerfelt. 62(2): 13–18.

A fire hazard mitigation plan for Guam. David Limtiaco. 62(1): 25–28.

Firesafe Spokane: Working with the community. Ross Hesseltine. 62(1): 23–24.

Firewise workshops ignite community action. Cynthia Baily. 62(1): 4–6.

Kenai Peninsula Borough: A spruce bark beetle mitigation program. Michael Fastabend. 62(1): 22.

Protecting communities through the National Fire Plan. Michael T. Rains; Jim Hubbard. 62(2): 4–12.

History

1937 Blackwater fire investigation: Boost for smokejumpers? Karl Brauneis. 62(2): 24–26.

Moose Fire: The historical perspective. Stephen W. Barrett. 62(4): 42–44.

Three small smokes. Stephen W. Barrett. 62(4): 57.

Walk back into tragedy: A quantum leap forward. Paul Keller. 62(4): 16–21.

Incident Management

About the way we fight fires. Mike Benefield. 62(2): 30–33.

Causal factors in the Thirtymile Fire accident. Thirtymile Fire Accident Review Board. 62(3): 9–12.

Crosswalk between OSHA violations and accident prevention plan. USDA Forest Service. 62(3): 22.

Fire Orders: Do you know the original intent? Karl Brauneis. 62(2): 27–29.

Initial Hazard Abatement Plan. USDA Forest Service. 62(3): 19–21.

Lessons from Thirtymile: Transition fires and Fire Orders. Jerry Williams. 62(3): 6–8.

Mobile fire-mapping units support wildland fire suppression. Rick Connell. 62(2): 19–20.

Next steps in wildland fire management. Jerry Williams. 62(4): 31–35.

No demobing before rehab! Mary Zabinski. 62(1): 33–35.

Recommended changes in wildland fire management. Thirtymile Fire Accident Review Board. 62(3): 14.

Rush to judgment on the Thirtymile Fire. Hutch Brown. 62(3): 31–35.

The staff ride approach to wildland fire behavior and firefighter safety awareness training: A commentary. Martin E. Alexander. 62(4): 25–30.

Thirtymile Fire: Fire behavior and management response. Hutch Brown. 62(3): 23–30.

Thirtymile Fire Prevention Action Plan. Thirtymile Fire Accident Review Board. 62(3): 14–18.

Walk back into tragedy: A quantum leap forward. Paul Keller. 62(4): 16–21.

Why don't we just leave the fireline? Bob Mutch. 62(4): 22–24.

Media

Rush to judgment on the Thirtymile Fire. Hutch Brown. 62(3): 31–35.

Montana

Moose Fire: The historical perspective. Stephen W. Barrett. 62(4): 42–44.

National Fire Plan

National Fire Plan at work. Editor. 62(2): 37.

National Fire Plan at work. Editor. 62(3): 12.

Protecting communities through the National Fire Plan. Michael T. Rains; Jim Hubbard. 62(2): 4–12.

New Mexico

Changes in fire hazard as a result of the Cerro Grande Fire. Dawn Greenlee; Jason Greenlee. 62(1): 15–21.

Cost-effective engine plays vital role. Louie Casaus. 62(1): 40.

Pacific Islands

A fire hazard mitigation plan for Guam. David Limtiaco. 62(1): 25–28.

Recycling Forest Service fire engines. Dennis Orbus. 62(1): 29.

Personnel

About the way we fight fires. Mike Benefield. 62(2): 30–33.

Injuries, illnesses, and fatalities among wildland firefighters. Richard J. Mangan. 62(3): 36–40.

Mobilized! Judith K. Kissinger. 62(2): 43.

So you want to be a firefighter. Judith K. Kissinger. 62(2): 39–42.

Texas volunteer firefighters benefit from new legislation. Traci Bowen. 62(4): 51–52.

Pennsylvania

Pennsylvania's Firewise Medal Communities Program. H. Alan Zentz; John Berst; Paul Sebasovich. 62(1): 30–32.

Planning

Next steps in wildland fire management. Jerry Williams. 62(4): 31–35.

Policy

Causal factors in the Thirtymile Fire accident. Thirtymile Fire Accident Review Board. 62(3): 9–12.

Crosswalk between OSHA violations and accident prevention plan. USDA Forest Service. 62(3): 22.

Initial Hazard Abatement Plan. USDA Forest Service. 62(3): 19–21.

Lessons from Thirtymile: Transition fires and Fire Orders. Jerry Williams. 62(3): 6–8.

Next steps in wildland fire management. Jerry Williams. 62(4): 31–35.

Recommended changes in wildland fire management. Thirtymile Fire Accident Review Board. 62(3): 14.

Thirtymile Fire Prevention Action Plan. Thirtymile Fire Accident Review Board. 62(3): 14–18.

Why don't we just leave the fireline? Bob Mutch. 62(4): 22–24.

Prescribed Fire

Burning under old-growth ponderosa pines on lava soils. Peter Z. Fulé; Greg Verkamp; Amy E.M. Waltz; W. Wallace Covington. 62(3): 47–50.

Prevention

Firesafe Spokane: Working with the community. Ross Hesseltine. 62(1): 23–24.

Firewise workshops ignite community action. Cynthia Baily. 62(1): 4–6.
